Dear Hal=

This will be very brief as I want to get this to the post office before it closes & today is a busy day for the post office.

I'm enclosing that Houston Post (11/22/92) article on Oswald. Also enclosed are two other

Xeroxed items which you should have for your records.

I met someone recently who told me he'd spoken to an FBI agent by the name of Tom Vallee (phonetic spelling) who worked in San Antonio's FBI office. Vallee allegedly told this person that they knew of Oswald was an FBI informant but that the FBI "never got anything from him". Supposedly, according to the person I spoke to, Vallee was present in Dallas on Nov. 22, 1963 (it is not clear to me that he was a witness, though, at the scene). Do you

know anything more on this. I'm trying to see if I can track down Vallee & interview ~~him~~ him. If I do, of course, I'll let you know what he says. The person I spoke to does not appear to me to be making this up.

Well, must close now to rush this to the post office. Let me know how your book is doing which I hope is nearing completion.

Best,
Hal.
